### Virtue Cider

*Gregory Hall*

Virtue Farm is located on Michigan’s Cider Coast, among acres of vibrant farmlands and orchards. We make our craft ciders on-site in our cider houses using traditional methods including using fruit that we purchase directly from local farms and barrel aging. Our 48-acre solar powered farm is home to native plants, apple trees, heritage breed animals, and miles of trails that we invite you to explore. Our taproom serves a wide selection of proper farmhouse ciders for every palate and light fare that pairs perfectly with our ciders. We are family and dog friendly, so come out to Virtue Farm and sit by a firepit or check out one of our outposts or greenhouses.

### Fenn Valley Vineyards & Winery

Fenn Valley is a third-generation family owned vineyard and winery that was created out of a desire to grow premium wine grapes and make world class wines. We chose to grow our wines in the cool maritime climate along the shore of Lake MI, where the vines would have to struggle to ripen the grapes and the resulting wines would develop a pronounced varietal character. Our wines are truly “The Lake Effect Everyone Loves.”

### Summerhouse Lavender Farm

*Eric Adams*

A boutique lavender farm featuring organically grown and sourced products. Our farm aromatherapy store is open May-Oct, or available online year around. Enjoy our peaceful grounds with ornamental trees, flowers sculptures, gazebo and koi ponds. The farm is available for private events, please visit our website for more information. “A creative respect for land, lavender and people.”
